NOTES: Many improvements have been noted. Areas that still need a slight improvement are as follows:

Clean the mold off the underside of the soda dispenser. It was done but some residual remains.

Clean the filters of the Delafield freezer free from dust.

Dirty knives were still stored between prep coolers at the cookline. Discontinue this practice.

Dirty towels were still under the sandwich boards cutting boards.

No thermometers at the cookline.

Cook was washing knives in the cookline hand sink. Stop doing this or a repeat fee will be assessed.

Inspector found a date dot in the mashed potatoes.
